16. **GOVERNING LAW** This Agreement shall be governed in all respects by the laws, statutes, and regulations of the United States of America and of the State of Maine. Any legal proceeding against the State regarding this Agreement shall be brought in State of Maine administrative or judicial forums. The Provider consents to personal jurisdiction in the State of Maine.

17. **STATE HELD HARMLESS** The Provider agrees to indemnify, defend and save harmless the State, its officers, agents and employees from any and all claims, costs, expenses, injuries, liabilities, losses and damages of every kind and description (hereinafter in this paragraph referred to as "claims") resulting from or arising out of the performance of this Agreement by the Provider, its employees, agents, or subcontractors. Claims to which this indemnification applies include, but without limitation, the following: (i) claims suffered or incurred by any contractor, subcontractor, materialman, laborer and any other person, firm, corporation or other legal entity (hereinafter in this paragraph referred to as "person") providing work, services, materials, equipment or supplies in connection with the performance of this Agreement; (ii) claims arising out of a violation or infringement of any proprietary right, copyright, trademark, right of privacy or other right arising out of publication, translation, development, reproduction, delivery, use, or disposition of any data, information or other matter furnished or used in connection with this Agreement; (iii) Claims arising out of a libelous or other unlawful matter used or developed in connection with this Agreement; (iv) claims suffered or incurred by any person who may be otherwise injured or damaged in the performance of this Agreement; and (v) all legal costs and other expenses of defense against any asserted claims to which this indemnification applies. This indemnification does not extend to a claim that results solely and directly from (i) the Department's negligence or unlawful act, or (ii) action by the Provider taken in reasonable reliance upon an instruction or direction given by an authorized person acting on behalf of the Department in accordance with this Agreement.

18. **NOTICE OF CLAIMS** The Provider shall give the Contract Administrator immediate notice in writing of any legal action or suit filed related in any way to the Agreement or which may affect the performance of duties under the Agreement, and prompt notice of any claim made against the Provider by any subcontractor which may result in litigation related in any way to the Agreement or which may affect the performance of duties under the Agreement.

19. **APPROVAL** This Agreement must have the approval of the State Controller and the State Purchases Review Committee before it can be considered a valid, enforceable document.

20. **LIABILITY INSURANCE** The Provider shall keep in force a liability policy issued by a company fully licensed or designated as an eligible surplus line insurer to do business in this State by the Maine Department of Professional & Financial Regulation, Bureau of Insurance, which policy includes the activity to be covered by this Agreement with adequate liability coverage to protect itself and the Department from suits. Providers insured through a "risk retention group" insurer prior to July 1, 1991 may continue under that arrangement. Prior to or upon execution of this Agreement, the Provider shall furnish the Department with written or photocopied verification of the existence of such liability insurance policy.

22. **SEVERABILITY** The invalidity or unenforceability of any particular provision or part thereof of this Agreement shall not affect the remainder of said provision or any other provisions, and this Agreement shall be construed in all respects as if such invalid or unenforceable provision or part thereof had been omitted.

23. **INTEGRATION** All terms of this Agreement are to be interpreted in such a way as to be consistent at all times with the terms of Rider B (except for expressed exceptions to Rider B included in Rider C), followed in precedence by Rider A, and any remaining Riders in alphabetical order.

24. **FORCE MAJEURE** The Department may, at its discretion, excuse the performance of an obligation by a party under this Agreement in the event that performance of that obligation by that party is prevented by an act of God, act of war, riot, fire, explosion, flood or other catastrophe, sabotage, severe shortage of fuel, power or raw materials, change in law, court order, national defense requirement, or strike or labor dispute, provided that any such event and the delay caused thereby is beyond the control of, and could not reasonably be avoided by, that party. The Department may, at its discretion, extend the time period for performance of the obligation excused under this section by the period of the excused delay together with a reasonable period to reinstate compliance with the terms of this Agreement.

25. **SET-OFF RIGHTS** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any monies due to the Provider under this Agreement up to any amounts due and owing to the State with regard to this Agreement, any other Agreement, any other Agreement with any State department or agency, including any Agreement for a term commencing prior to the term of this Agreement, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Controller.

26. **WHISTLEBLOWER PROTECTIONS**

a. Section 1553 of Title XV of Division A of the ARRA prohibits all non-federal providers of American Recovery and Reinvestment Act (ARRA) funds, including the State of Maine, and all contractors and grantees of the State of Maine, from discharging, demoting or otherwise discriminating against an employee for

disclosures by the employee that the employee reasonably believes are evidence of (1) gross mismanagement of a contract or grant relating to ARRA funds; (2) a gross waste of ARRA funds; (3) a substantial and specific danger to public health or safety related to the implementation or use of ARRA funds; (4) an abuse of authority

related to implementation or use of ARRA funds; or (5) a violation of law, rule, or regulation related to an agency contract (including the competition for or negotiation of a contract) or grant, awarded or issued relating to ARRA funds. The Provider must post notice of the rights and remedies available to employees under Section 1553 of Title XV of Division A of the ARRA.

b. This term must be included in all subcontracts or sub-grants involving the use of funds made available under the ARRA.

The State of Maine is committed to ensuring that American Recovery and Reinvestment Act funds are used for authorized purposes without fraud, waste, error, or abuse. Any individual with direct knowledge that Recovery Funds are being misused, whether by fraud, waste, error, and/or abuse in the application and utilization of these funds, should report their observations to the ARRA Fraud Hotline at **1-866-224-3033** or by email to **ARRA.Hotline@Maine.gov**.

27. **WAGE REQUIREMENTS** All laborers and mechanics employed by contractors and subcontractors on projects funded in whole or in part with funds available under the ARRA shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality, as determined by the United States Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40 of the United States Code. (See ARRA Sec. 1606). The Secretary of Labor's determination regarding the prevailing wages applicable in Maine is available at <http://www.gpo.gov/davisbacon/me.html>.

28. **REPORTING REQUIREMENT** Not later than ten calendar days after the end of each calendar quarter, the State must submit a report that, at a minimum, contains the information specified in Section 1512 of Division A, Title XV of the ARRA. It is imperative all contracts involving the use of ARRA funds include requirements that the Provider supply the State with the necessary information to submit these reports to the federal government in a timely manner. More detail will follow regarding the timing and submission of reports. The Provider's failure to provide complete, accurate and timely reports shall constitute an "Event of Default". Upon the occurrence of an Event of Default, the state department or agency may terminate this contract upon 30 days prior written notice if the default remains uncured within five calendar days following the last day of the calendar quarter, in addition to any other remedy available to the state department or agency in law or equity.

29. **AVAILABILITY OF FUNDING** The Provider acknowledges that the programs supported with temporary federal funds made available by the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5 will not be continued with state financed appropriations once the temporary federal funds are expended.

30. **FALSE CLAIMS ACT** The Provider shall promptly refer to an appropriate federal inspector general any credible evidence that a principal, employee, agent, contractor, sub-grantee, subcontractor or other person has committed a false claim under the False Claims Act or has committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving those funds.

31. **CONFLICTING REQUIREMENTS** If the ARRA requirements conflict with State of Maine requirements, then ARRA requirements control.

32. **COMPETITIVE FIXED PRICE CONTRACTS** The Provider, to the maximum extent possible, shall award any subcontracts funded, in whole or in part, with Recovery Act funds as fixed-price contracts through the use of competitive procedures.

33. **SEGREGATION OF FUNDS** The Provider shall segregate obligations and expenditures of Recover Act funds from other funding. No part of funds made available under the American Recovery and Reinvestment Act of 2009, Pub. G. Matching, Level of Effort, Earmarking

1. **Matching**

a. *State*

- (1) States must contribute from State or local sources at least 25 percent of the cost of State Plan administration as their matching

share. This may include cash or in-kind contributions by the State or third parties (42 USC 3028 (a)(1) and 42 USC 3029 (b); 45 CFR section 1321.47).

- (2) All services, whether provided by the State Agency, an Area Agency or other service provider (including any ombudsman services provided under the authority of 42 USC 3024 (d)(1)(D)) must be funded with a non-Federal match of at least 15 percent. This percentage must be met on a statewide basis. Funds for ombudsman services provided under the authority of 42 USC 3024 (d)(1)(B) are not required to be matched (42 USC 3024 (d)(1)(D); 45 CFR section 1321.47).

b. *State and Area Agencies*

Area Agencies, in the aggregate, must contribute at least 25 percent of the costs of administration of area plans (42 USC 3024 (d)(1)(A); 45 CFR section 1321.47).

- (1) *State* – Since this match is computed based on the aggregate of all Area Agencies in the State, the auditor's testing of the amount of this match is performed at the State Agency.
- (2) *Area Agencies* – The auditor's testing of the allowability of the matching (e.g., from an allowable source and in compliance with the administrative requirements and allowable costs/cost principles requirements) should be performed at the Area Agencies.

2.1 Level of Effort – Maintenance of Effort

State – The State Agency must spend for both services and administration at least the average amount of State funds it spent under the State plan for these activities for the three previous fiscal years. If the State Agency spends less than this amount, the Assistant Secretary for Aging reduces the State's allotments for supportive and nutrition services under this part by a percentage equal to the percentage by which the State reduced its expenditures (42 USC 3029 (c); 45 CFR section 1321.49). See III. L.1, "Reporting - Financial Reporting" for the reporting requirement regarding maintenance of effort.

2.2 Level of Effort – Supplement Not Supplant – Not Applicable

3. Earmarking

a. *State*

- (1) Overall expenditures for administration are limited to the greater of five percent (or \$300,000 or \$500,000 depending on the aggregate amount appropriated or a lesser amount for the U.S. territories) of the overall allotment to a State under Title III unless a waiver is granted by the Assistant Secretary on Aging (42 USC 3028 (b)(1), (2), and (3)).
- (2) After a State determines the amount to be applied to State plan administration under 42 USC 3028 (b), the State may:
 - (a) Make up to (and including) 10 percent of that amount available for the administration of Area Plans. The State may either calculate the 10 percent based on the total allotment from AoA or on the amount remaining after deducting the amount to be applied to State Plan administration (42 USC 3024(d)(1)(A)); and
 - (b) Use any amounts available to the State for State plan administration which the State determines are not needed

- for that purpose to supplement the amount available for administration of Area Plans (42 USC 3028(a)(2)).
- (3) Any State which has been designated as a single planning and service area may elect to be subject to the State Plan administration limit (five percent) or the Area Plan administration (10 percent) limit (42 USC 3028(a)(3)).
 - (4) A State may transfer:
 - (a) Up to 40 percent of a State's separate allotments for congregate and home-delivered nutrition services between those two allotments without AoA approval (42 USC 3028(b)).
 - (b) Not more than 30 percent between programs under Part B and Part C (Parts C1 and/or C2) for use as the State considers appropriate (42 USC 3028(b)).
 - (c) An additional 10 percent may be transferred between C1 and C2 with an AoA waiver (42 USC 3028(b)).
 - (d) A waiver may be requested to transfer an amount which is above the allowable 30 percent between Parts B and C (42 USC 3030c-3(b)(4)).

A State Agency may not delegate to an Area Agency or any other entity the authority to make such transfers (42 USC 3028(b)(6)).
 - (5) The State agency will not fund program development and coordinated activities as a cost of supportive services for the administration of area plans until it has first spent 10 percent of the total of its combined allotments under this program on the administration of area plans (45 CFR section 1321.17(f)(14)).
- b. *Area Agency*
- As provided in agreements with the State Agency, Area Agencies earmark portions of their allotment. The typical earmarks are:
- (1) A maximum amount or percentage for program development and coordination activities by that agency (42 USC 3024(d)(1)(D); 45 CFR section 1321.17(f)(14)(i)).
 - (2) A minimum amount or percentage for services related to access, in-home services, and legal assistance (42 USC 3026(a)(2) and (b)).

H. Period of Availability of Federal Funds

Funds are made available to the State annually and must be obligated by the State by the end of the Federal fiscal year in which they were awarded. The State has two years to liquidate all obligations for its administration of the State Plan and for awards to the Area Agencies consistent with its intrastate allocation formula. Therefore, in any given year, multiple years of funding are being used to provide services statewide. Whenever the Assistant Secretary on Aging determines that any amount allotted to a State under Parts B or C for a fiscal year will not be used to carry out the purpose for which the allotment was made, the funds may be reallocated to one or more other States. Any amount made available to a State as the result of a reallocation shall be regarded as part of the State's allotment for the same fiscal year in which the funds were appropriated, but shall remain available for obligation by the State until the end of the succeeding fiscal year (42 USC 3024 (b)).

J. Program Income

1. Service providers are required to provide an opportunity to individuals being served under all Part B and C services program to make voluntary contributions for services received. These voluntary contributions are to be added to the

amounts made available by the State or Area Agency and must be used to expand the service from which they are collected (42 USC 3030c-2(b)).

2. Cost-sharing fees may be collected from Title III-B services except information and assistance, outreach, benefits counseling, or case management services. Cost sharing is not allowed for Title III-C services or Title VII Elder Rights Services (Ombudsman, legal services, elder abuse prevention or other consumer protection services) (42 USC 3030c-2(a)(2)).

M. Subrecipient Monitoring

1. State Agency

The State Agency is required to develop policies governing all aspects of programs operated under the State Plan and to monitor their implementation, including assessing performance for quality and effectiveness and specifying data system requirements to collect necessary and appropriate data (45 CFR sections 1321.11 and 1321.17(f)(9)).

with its established process, including time frames.

IV. OTHER INFORMATION

The AoA NSIP program replaces the NSIP administered by USDA under CFDA 10.570.

Responsibility was transferred to AoA as of October 10, 2002. The program may include both cash payments and commodities in lieu of cash. Assistance in the form of commodities in lieu of cash is considered Federal awards expended in accordance with the OMB Circular A-133, §____.105, definition of Federal financial assistance and should be valued in accordance with §____.205(g). Therefore, both cash expenditures for the purchase of food and the value of commodities received from the State Distribution Agencies should be (1) used when determining Type A programs and (2) included in the Schedule of Expenditures of Federal Awards in accordance with §____
